GENERAL INFORMATION – OPERATOR COURSE

The following protective gear is required:
Approved helmet, Snell, DOT, eye protection, (shatter resistant goggles or face shield), mitts or gloves,
warm jacket, proper boots and any other safety gear deemed appropriate for the training.

Lunches:
The lunch break is only 30 minutes; bring a snack lunch and plenty to drink.

Be prepared:
Learning to ride/drive a vehicle of this nature safely demands alertness. Get a good night sleep before
the day of the course and eat a good breakfast. Riding/driving is a physical activity. If you are taking
medication or are under a doctor’s care, consult your doctor before enrolling. Do not use drugs or
alcohol 24 hours before or at any time during the course.

Be punctual:
Please arrive at the course site at least 30 minutes early so you will have enough time to unload your
vehicle, have it inspected and prepare yourself for class. The class is scheduled for _______________
And will meet from _________ to ___________. If you have any questions or need more information,
call ____________________________.
