

# Being Neighbourly

November is National Community Safety and Crime Prevention Month

34% of Canadians feel a weak sense of community belonging.

Neighbourhoods where people feel connected to one another typically experience less crime.

We can all take simple steps to build one of the most powerful defences against crime: a resilient and caring community.

## Connect!

WHY NOT REACH OUT TO A NEIGHBOUR TODAY?

**Sit out front**

**Offer and request help**

**Take a walk**

**Join in or start a neighbourhood event**

**Start a conversation**
