RELEASE, WAIVER AND INDEMNIFICATION

The undersigned participant and his or her parent or legal guardian, if the participant is under the age of 18 years, does (do) hereby execute this release, waiver and indemnification for himself (herself/themselves), and his (her/their) heirs, successors, representatives and assigns, and hereby agree(s) and represent(s) as follows:

To release the Canada Safety Council, its members, employees, certified instructors and Chief Instructors, representatives and those governmental agencies and other organizations affiliated with this Utility Terrain Vehicle Course from any and all liability, loss, damage, costs, claims and/or causes of action, including but not limited to all bodily injuries and property damage arising out of participating in the course referred to above, it being specifically understood that said course includes the operation and use by the undersigned participant and other's of UTVs. The undersigned further agree(s) to indemnify the Canada Safety Council, its employees, members, certified instructors, Chief Instructors, representatives and those governmental agencies and other organizations affiliated with this project, and hold them harmless for any liability, loss damage, cost, claim or judgment or settlement which may be brought or entered against them as a result of the undersigned's participation in said course. This indemnification shall include attorney's fees incurred in defending against any claim or judgment and incurred in negotiation any settlement. It is understood and agreed that the undersigned shall have the opportunity to consent to any such settlement, provided however, that such consent shall not be unreasonable withheld.

The information contained in this course is offered for the benefit of those who have an interest in and/or drive UTVs. The information has been compiled from publications, interviews and observations of individuals and organizations familiar with the use of motorized snow vehicles. Because there are many differences in product design, driving terrain and driving styles, there may be organizations and individuals who hold differing opinions. Although the Canada Safety Council will continue to research, field test and publish responsible viewpoints on this subject, it must disclaim specific or general liability for the views expressed in the course and related materials.
